Dr. Joshua Lederberg  
President, Rockefeller University  
New York, NY 10021

Dear Dr. Lederberg,

As a result of your suggestions and encouragement from the agencies, we submitted our proposal "Quantitative Evaluation of Carcinogenic Risk in Humans from Chemicals" to Mr. N.F. Barr of DOE and to HEW for a basic research grant.

The proposal is now being reviewed and we hope that something will come of it. Thank you for your help.

Yours sincerely,

A handwritten signature in dark ink, appearing to read "Richard Wilson".

Richard Wilson
